What is NAID?

NAID is a non-profit association dedicated to the advancement, professionalism, and high ethical standards of the information destruction industry. They act as an independent auditor, checking a shredding company's compliance in 22 critical areas, including everything from shred size to employee background checks.

NAID Certified On and Off-Site Shredding

Our MOBILE SHRED TRUCK will arrive ON-SITE at your office or facility. The entire process takes place at the curb, where you WITNESS the shredding of your materials and receive a CERTIFICATE OF DESTRUCTION.

For OFFSITE services, we offer confidential destruction at our NAID certified facility. Materials are loaded on our locked trucks and TRANSPORTED to our SECURE facility where they are shredded and baled for recycling by our certified personnel. The CHAIN OF CUSTODY is fully documented for legal accountability.

Specializing in service to:

**Healthcare • Legal
Government • Financial**

HIPAA and FACTA Compliant
